**ANNUAL  
REPORT  
2020-2021**

Dear Friend,

**Thank you for being one among thousands of people in our global community** at the Louis August Jonas Foundation (LAJF) who believe in our vision of creating a more compassionate world for all.

A more compassionate world can become a reality when we invest in the talent and potential of young leaders across the globe. Through our Camp Rising Sun programs, youth have the opportunity to develop compassionate leadership values, build connections with peers across cultures, foster an appreciation for diversity, and expand their intellectual horizons and worldviews.

The 2020-2021

**LAJF**  
Fiscal Year

**After attending our program, our alumni are inspired to step into positions of leadership and in turn, transform their communities for the better.**

You are more than just a supporter of LAJF and Camp Rising Sun — **you are an active member in a movement towards lasting social and societal change.**

With our community of supporters like you by our side, our organization is able to innovate and evolve. Over the next five years, we will be pursuing a strategic plan to strengthen our core program, Camp Rising Sun, and launch new programs to reach additional populations. **We want the unique educational experience that the youth in our program receive to be accessible to as many young people as possible.**

For the more than 90 years that we have been in existence, we have seen how our model and approach to leadership development has changed the life trajectories of our campers. Alumni, like Sarah S. have learned invaluable lessons that they will take with them into all aspects of their lives:

***“At Camp Rising Sun, I learned that compassionate leadership is personal. It’s sustainable, because it accounts for everyone. It’s important to embrace ourselves and each other, and it opens up possibilities that simply don’t exist within the rigid idea of isolated leadership.” - Sarah S., CRS ‘19 and ‘21***

**Again, we are so grateful that you have added your voice to our mission of developing compassionate leaders.** The longevity and sustainability of our programs, which are focused on identity exploration, empathy-building, and perspective-shifting with youth from across the globe, depends on your continuous support.

**Alumni and participants of Camp Rising Sun are working hard to impact the world, and with the skills they gain from our program they are set up to do just that.**

In the face of so many pressing global issues, thank you for taking action to help inspire the leaders of tomorrow — to build a world we can all be proud of.

**With gratitude,**

Helene Mattera, LAJF Executive Director.

# Annual Report

The **following report** provides a financial summary of the 2020-2021 fiscal year (October 2020 - September 2021). As we were unable to host our in-person Camp, our expenses were significantly lower than projected. Fortunately, we were able to divert our attention and some costs already incurred, into alternative programming, virtual and other. More than 100 future leaders attended one or more of our virtual programs.

In times of hardship, our community of friends and alumni remain steadfast in their support. We are grateful to all of our donors for their support and we've listed our supporters from the 2020-2021 fiscal year on the last pages of this report.

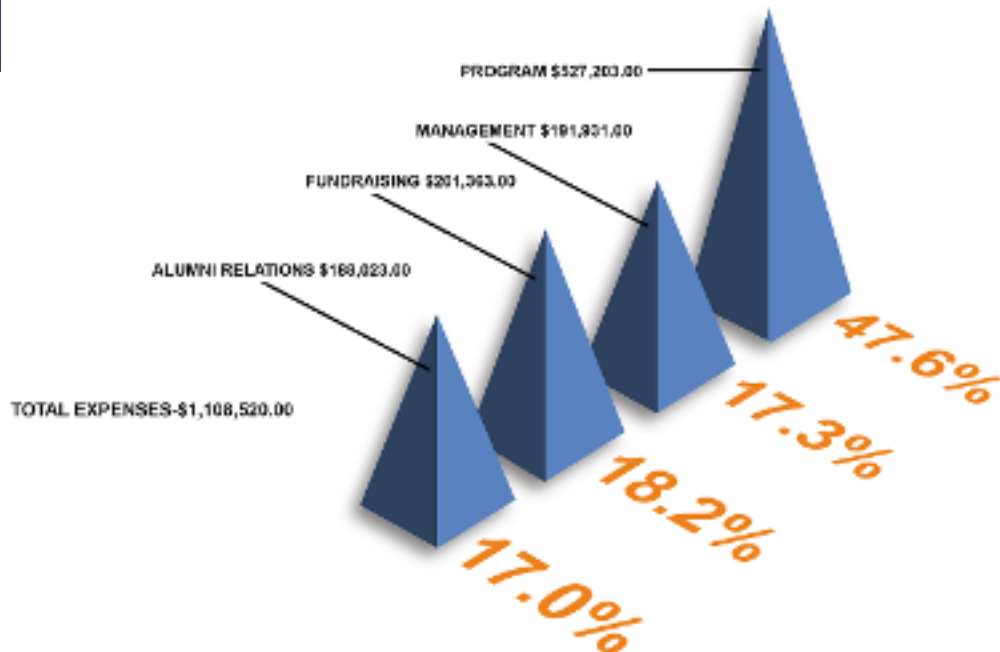

## REVENUE

Events and Program Fees	\$6,158.00
Restricted Giving	\$45,701.00
Property Rental	\$53,000.00
PPP Grant	\$96,300.00
Annual Fund Donations	\$599,480.28

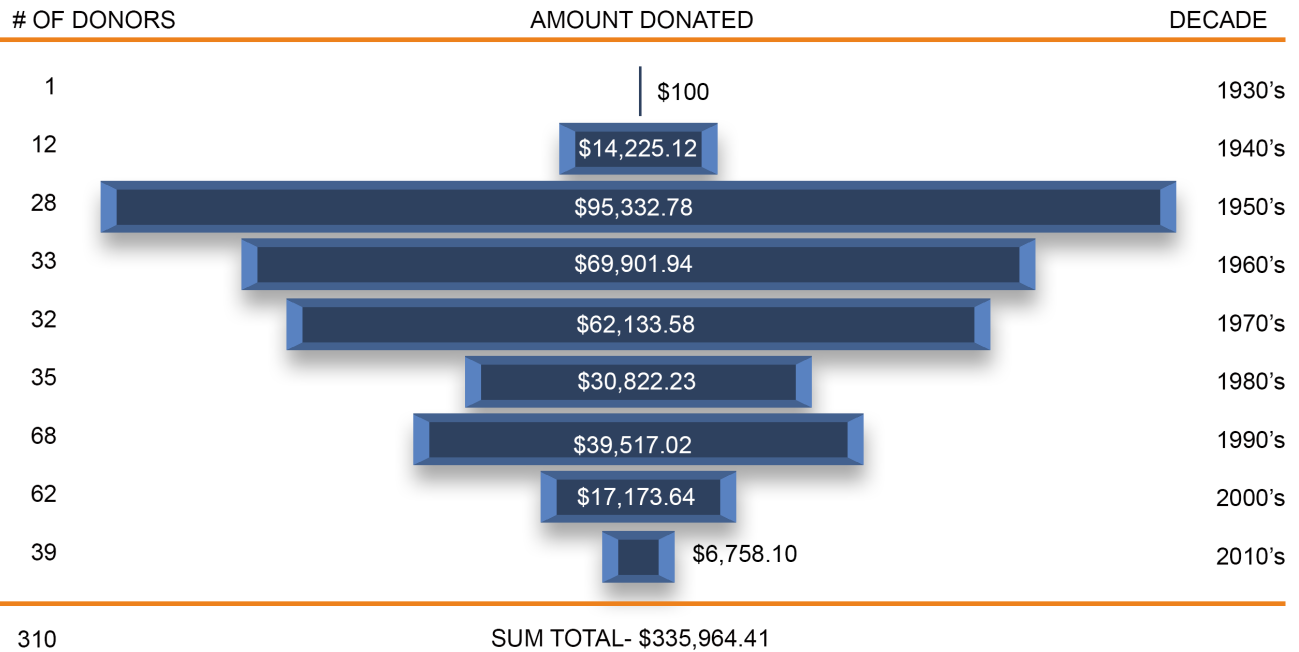

*As our in-person program was not in session, we saw an opportunity to collaborate with a local partner organization to rent our properties for day-camp activities, yielding \$53,000 in rental income. In addition to our annual fundraising, we were also fortunate to receive \$96,000 in Paycheck Protection Program for the second year in a row bringing our total revenue for the year to \$800,000.*

*We are grateful to all of our donors for their support. Please see a list of our valued 2020-2021 donors starting on page 6.*

## EXPENSES

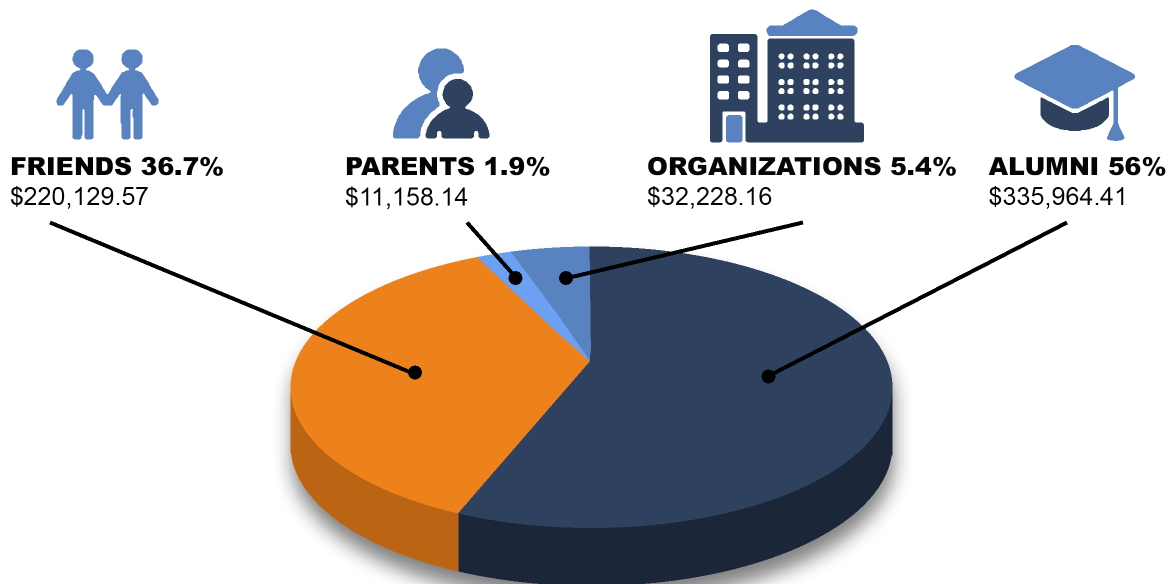

## ALUMNI GIVING BY DECADE

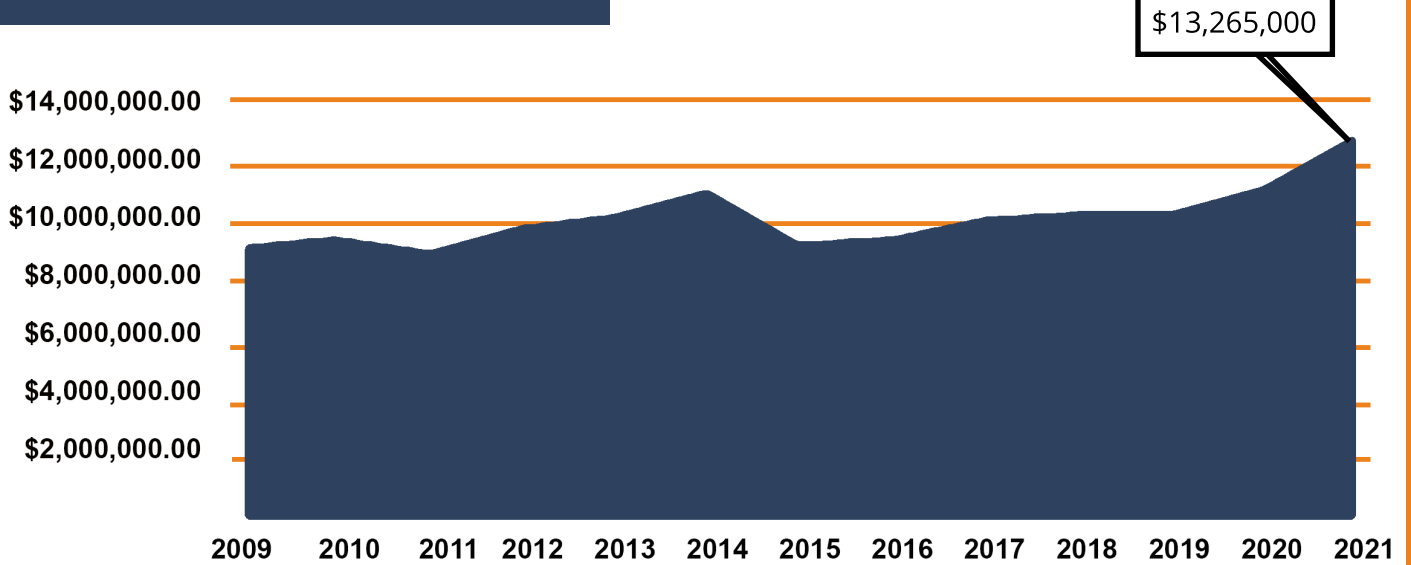

*As in the year prior, our fundraising efforts were affected by the cancellation of our in-person program, and the impossibility of hosting in-person events and gatherings. Despite these challenges, we raised close to \$600,000 from more than 550 supporters, world wide. Our supporters make possible the work that we do and we are grateful for their continued support of our mission and work.*

## WHO GAVE TO CAMP RISING SUN?

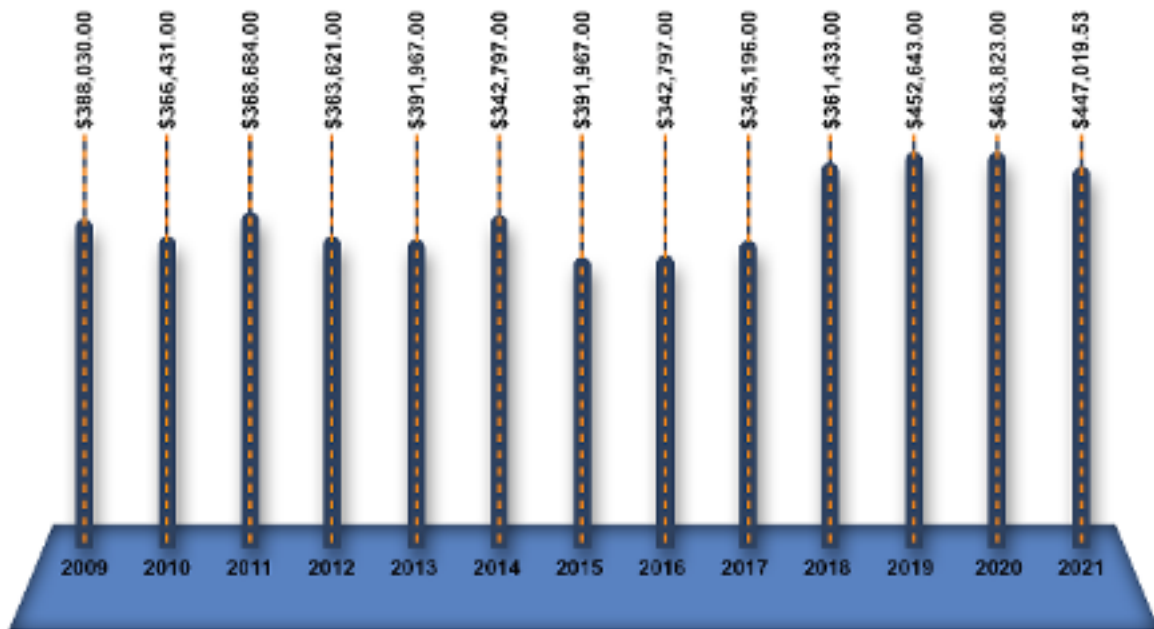

*In 2020-2021 we received donations from more than 550 supporters living in more than 20 different countries. Our alumni remain the largest group of supporters, and are joined by hundreds of friends and partners of our organization, whose collective support makes our work possible.*

## PORTFOLIO VALUE OVER TIME

The value of our portfolio was \$13,265,000 as of the end of the fiscal year. The cancellation of in-person programming and the effect of a strong financial market has meant an increase in our portfolio value over the past years. This increase in our portfolio provides a strong foundation for the beginning of our new strategic plan. The Board of Directors, under advisement from our Finance and Investment committee, will continue to monitor and assess our investment portfolio.

## G.E.J. SCHOLARSHIP FUND VALUE OVER TIME

The GEJ. Scholarship Fund continues to provide scholarships for CRS Alumni, seeking undergraduate and graduate education within the United States. Many of our alumni remain engaged with our organization and community, and we continue to support their development and efforts through initiatives such as the GEJ. Scholarship.

# "Our unique abilities are what allow us to make a difference"

*Ruby Lainez, CRS '10, '11 | New York, NY*

*Camp Rising Sun has an extensive global alumni community — with more than 6,000 alumni worldwide. Read the below testimonial from alumna, Ruby Lainez, who attended CRS as a camper in 2010 and 2011 and has been continually involved as a summer staff member since then. Ruby is from Brooklyn, New York and she currently works as a school psychologist in New York.*

**Camp Rising Sun completely changed my life** as it was where I discovered how much of a difference each person can make in the world. I was always the type of student who blended in with the crowd, but when I came to CRS, **I was forced to step outside of my comfort zone and start to learn to be a leader.**

**My time at Camp taught me that everyone has different abilities and strengths.** Now, I put this knowledge to use as a school psychologist in New York City. I support students in getting the education they deserve based on their individual abilities. Many of the students I work with have difficulties with academics and it's my job to help them hone their strengths, and in turn, help them succeed. It is my aim to encourage kids to be leaders despite any circumstances they may currently find themselves in.

I am grateful for my experience with Camp because through it I realized we each have special talents that we can harness to make a difference. **When we all come together, our collective power and recognition of our unique qualities, will allow us to create lasting change in our communities.**
